The^{Global} Peace Summit

took place in Dubai between 23rd to 26th Feb 2022. With over 180+ delegates from over 90+ countries, the summit provided a platform for young changemakers to connect, collaborate and collate their ideas on how to create peace and achieve the United Nations Sustainable Development Goals. Delegates worked together on the concept of building resilience, cultivating the culture of tolerance, inclusivity, interfaith harmony, co-existence, love and social peace building across borders through interactive sessions, peace talks with stakeholders, diplomats, ambassadors and lecturers.

Peace

Comes from being able to contribute the best that we have, and all that we are, towards creating a world that supports everyone. But it is also securing the space for others to contribute the best that they have and all that they are thus, the Summit gave the opportunity for delegates from different countries, who are passionate about peace-building and the United Nations Sustainable Development Goals to share their projects on peace and the Sustainable Development Goals. Projects ranging from climate change, peace-building, education, entrepreneurship, social enterprise, leadership etc.

DAY 01

The CEO of Global Peace Chain,

Mr. Kamran Zafar

welcomes all delegates and thanked them for being a part of their mission of peacebuilding. An overview of the journey of GPC was shown as highlights. Day 1 began with an official

OATH CEREMONY.

This was followed by Co-founder - **Muhammad Ahmad's** address where he stated that 'you are young leaders of the society and are striving to make a difference. We, at GPC unite young people for a big cause. You will walk away with strategies and

confidence to implement your ideas with the right support offered by us. The diversity in age groups means we learn from each other, share expertise and knowledge. The nature of focus is;

Capacity Building

Networking,

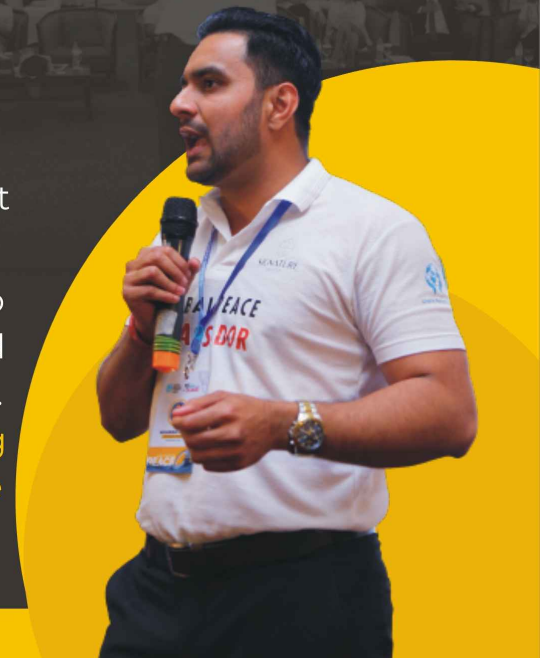

Collaborating.

Implementing your social initiatives.

"All young leaders

present here today are contributing to different **UN SDGs.**

We must share our experiences and collaborate to achieve the UN SDGs. Together We can and Together we will leave our world a better place. **We are including young people in policy making and decision making to achieve sustainable Change."**

An Ice Breaking Activity

the project manager **Ms. Rida Batool** held an introductory activity where delegates introduced themselves and shared an interesting fact with fellow delegates. Cultural dances were performed by delegates to showcase the diversity of the summit.

Motivational Session

Mr. Usman Amjad held a motivational session on life and its challenges. He stated 'Success is an iceberg, people see your achievements but fail to see all that goes on behind the scenes i.e dedication, hard work, failures, setbacks.'

Meditation Session

Ms. Ridhima Batra held a fantastic meditation session and highlighted that meditation is enjoying every moment you through. To control your thoughts, meditation is important. Life is the breath that we are taking. Control your thoughts through breathing. Delegates shared their experiences about meditation and how important it is to cope with anxiety and mental health-related issues. The meditating session was very interactive and thoroughly enjoyed by delegates.
